Hope you like it!

Lucas dragged Max to the locker room. "Lucas! Where are you taking me?!"

"Shut up!" He said, pushing the door open. He pushed her to the floor, going to join his naked friends. The four boys stood in a circle around her all lazily stroking their dicks. Max looked up. The girl gasped as Mike grabbed her by her hair and pulled her over to him. He bent down to whisper in her ear, "we are going to have some fun little Max." Mike then ripped her shirt off of her, throwing it onto the dirty floor. Her pants were next. Will unclasped her bra while Dustin ripped off her underwear. She was now completely naked. Mike smirked, "open your mouth."

Max did as she was told, opening her mouth like an obedient dog. Mike groaned as he started to piss in her mouth. The other boys watched as the warm yellow stream flooded her mouth. She gulped it down, smiling at him. The raven haired boy patted her head as she crawled over to Will. She mewled at him, watching as he started to piss all over her body. Piss was in her hair, on her breasts, and dripping down to her vagina.

Dustin walked over, grabbing her by her hair and forcing her mouth onto his cock. He moaned as she immediately started to suck him. "Fuck, god Max!" The ginger kept bobbing her head up and down, enjoying the taste of him. Dustin held her head down at the base, pissing down her throat. Max choked but went back to licking the head. She moaned once her head was off of him. Spit connected them before it broke off on her naked body. Lucas came over to her, pinching her nipples then twisting them. Max moaned, holding onto his arm. "Yeah, that's a good little slut." He said as pissed all over her body. Max's hands went to her clit, rubbing small circles at the feeling of her boyfriends warm piss hitting her soft skin. Mike

smirked, grabbing her head and fucking her throat. His thrusts were sharp and hard and the wet noises that were coming from Max were oh so delicious.

The three other boys stroked their dicks as they watched him fuck her throat. Mike pushed her off of him then pushed her onto Will's dick. He forced her head back and forth roughly. She choked and gagged but didn't let up. Will groaned enjoying her wet mouth on him. Mike pushed her onto Lucas's cock, letting her boyfriend take over. He went at a speed none of them had seen before. The jerk held her head at the base while closing her nose with his fingers. Max moaned, hitting his thighs. She thrashed around, trying to get some form of air. Lucas finally let her up. Max breathed heavily, panting like a dog. Dustin smirked, picking her up. Her back was to his chest.

He eased his dick into her ass, loving the tight fit. Max yelped when he first went in. She then started to moan as it started to become pleasureful. Mike smirked, going to her front and sticking his dick in her pussy. She moaned, holding onto him. He looked over at Lucas before making out with her. Lucas walked over and pushed his cock in alongside Mike causing Max to moan loudly into Mike's mouth. "Fuck! She's so tight now!"

Will went in next to Dustin, moaning as he felt their cocks rub along each other. The boys all started to go at different speeds. Max was a moaning, sobbing, wet, coming mess. She came so many times she blacked out. The boys just kept going until she was leaking with their cum and hers. The four boys looked at each other, all breathing heavily. "Fuck Lucas, you got a real slut huh!"
